Honourable Sir,

It is with great joy that we welcome you to our tiny locality and we think it a great previlege given to us to place before you the most urgent needs for your kind consideration.

1. Owing to decontrol, the price of food grains is increasing rapidly and the poor people of this locality have begun to experience great hardship in purchasing food grains. The rainy season will soon set in and the conditions are bound to become worse. So, we requestk that a-fair price shop be opened immediately for the benefit of the poor.

2. A Maternity Home is a long felt need of this locality. At present people have to run up to Perdal which is six miles away from this place to get the services of a qualified Midwife. So, the opening of a Maternity Home will go a long way in relieving the distress of the women especially at the time of confinement. It may be pointed out at this context that the S.K. District Board has sanctioned the scheme but has not carried it out in practice.

3. The Enmakaje and Katukukke villages are brought under the jurisdiction of the Adur Police Station from the 10th instant. It is pointed out that as there is no direct connection to Adur from here, the people of these villages would like to be under the jurisdiction of Kasaragod Police Station itself as before. It is therefore requested that steps are taken towards the implementation of this desirable change.

4. Owing to the economic depression, we have not been able to complete the permanent High School Building, according to the conditions laid down by the Educational Department. But as the accommodation is found to be sufficient for the present, it is requested that permanent recognition is granted to the S.N. High School situed in this locality.

Feeling confident that you will give earnest consideration to our wishes, we once again thank you for having included this little spot in the programme of your visits.

Perla, S.K.

Sir,

Sub: MATERNAL AND CHILD HEALTH - Perla - South Kanara District Board - Opening of a centre.
Ref: Govt.Memo.No.29665-E1-53-1 Health dated 30-5-1953.

.....

The opening of a Maternal and Child Health centre at Perla in Kasaragod taluk was sanctioned by the Dt.Board in its Resolution No.89 dated 18-7-51 and the Government were addressed to accord sanction to the proposal in this office R.Dis.20400-50 dated 26-2-53. But, the Government in their Memo.No.19366-E1-52-2 Health, dated 23-5-1952 informed the President, Dt.Bd. that the proposal might be deferred until the financial position of the Board improves. The Government were again addressed as resolved by the Board in its Resolution No.58 dated 22-7-52 addressed in this office letter Ref.C. No.18341-A5-51 dated 13-8-52 to accord sanction for the opening of the above centre along with 8 other centres in the District during the year 1953-54 but it has been ordered by the Govt. in G.O.Ms.No.340 L.A., dated 20-2-53 that the Dt.Board should defer the question of opening new Maternity Centres. The question of opening a M & C.H. centre at Perla had therefore to be deferred for the reasons stated above.
